

IN THE CLAIMS

1. A novelty kit for producing an oral sensation during deep kissing, the novelty kit comprising:

a) a first substance to be placed on the tongue of a first person, the first substance in the form of a solute; and

b) instructions for use of the first substance with a second person.

2. The novelty kit of claim 1 wherein the first substance has an identifiable taste.

3. Cancelled.

4. The novelty kit of claim 13 where the solute is water based.

5. The novelty kit of claim 2 additionally comprising a second substance in the form of a solute, and wherein the instructions include directions for the use of the first substance and the second substance by the first person and the second person.

6. The novelty kit of claim 5 wherein the second substance has a different identifiable taste than the taste of the first substance.

7. Cancelled.

8. The novelty kit of claim 57 where the solute is water based.

9. The novelty kit of claim 1 wherein the instructions direct the first person on placement on the tongue of the first substance prior to the first and second person engaging in deep kissing.

10. The novelty kit of claim 5 wherein the instructions direct the first and second persons on placement on their respective tongues of the first and second substances prior to the first and second person engaging in deep kissing.

11. The novelty kit of claim 5 wherein the instructions direct the first and second persons on the selection of tastes of the first and second substances.

12. The novelty kit of claim 5 wherein the instructions identify moods created by the selected tastes and wherein the instructions direct the first and second persons on the selection of the first and second substances to create a selected mood.

13. A method for producing an oral sensation during deep kissing, the method comprising:

- a) placing a first substance in the form of a solute and having an identifiable taste on the tongue of a first person; and
- b) instructing the first person on use of the first substance with a second person.

14. Cancelled.

15. The method of claim 134 wherein the solute is water based.

16. The method of claim 13 additionally including the steps of placing a second substance in the form of a solute and having an identifiable taste on the tongue of a second person, and instructing the first and second persons on the use of the first and second substances.

17. Cancelled.

18. The method of claim 167 wherein the solute is water based.

19. The method of claim 13 wherein the step of instructing includes directing the first person on placement on the tongue of the first substance prior to the first and second person engaging in deep kissing.

20. The method of claim 16 wherein the step of instructing includes directing the first and second persons on placement on their respective tongues of the first and second substances prior to the first and second person engaging in deep kissing.

21. The method of claim 16 wherein the step of instructing includes directing the first and second persons on the selection of tastes of the first and second substances.

22. The method of claim 16 wherein the step of instructing includes identifying moods created by the selected tastes and directing the first and second persons on the selection of the first and second substances to create a selected mood.
